

LELAND (LEE) LARRISON FOR MAYOR

**REPUBLICAN
THE BEST FOR TERRE HAUTE**

AUTOBIOGRAPHY

I was born April 1907, in Miami County, Indiana, the second of four children. A sister, Mrs. Wilma Stepler, lives in Amboy, Indiana and is now a retired school teacher. A brother, Orville, owns and operates Larrison's Funeral Home at Converse, Indiana. Another brother, John is a sales supervisor for Pioneer Seed Corn Co., in northern Indiana. He has served as Republican committeeman and State Delegate several years and lives at Amboy, Indiana. My mother and father are deceased.

I graduated from Indianapolis College of Pharmacy (now Butler) in 1928 with a Ph C degree. I worked at Corner Drug Store at Bicknell, Indiana and Schultz-Weinland Pharmacy in Brazil until 1930, when I came to Terre Haute as pharmacist for Wright's Drug Store.

In 1930, I married Lella McCarter, a graduate of Indiana State University and a former school teacher. We have two children, both married. John, is Captain in the U. S. Air Force, having served one year in Viet Nam as pilot, and now resides with wife and two children at Hamilton Air Force Base, California. Carolyn Sue, is a registered pharmacist in Indiana and Florida and is now living and working in Florida. Both children are graduates of Purdue University.

I owned Larrison's Pharmacy, 15th & Locust St., from 1931 until 1954 when it was sold to Thurman and Fred Miller. I operate Larrison's Tax Service, 824½ N. 15th St., which is now under the supervision of my wife.

From 1954 to 1961, I was Consulting Pharmacist for the Indiana Department of Health, State of Indiana. From 1961, I was pharmacist for Coplan's Drug Store, 13th & Maple, and have also done relief work for Oakley Drug Store, Jones Pharmacy, Osco Drugs, and Haag Drugs.

In 1963 I was nominated and elected as City Clerk of Terre Haute and have served in that office since Jan. 1, 1964. I have initiated several changes and procedures which have set records in that office.

My church affiliation is with the Friends Church at Amboy, Indiana.

THE BEST FOR TERRE HAUTE

At the present time, I am a candidate for the office of MAYOR of the CITY OF TERRE HAUTE.

If nominated and elected, I promise to work diligently to make Terre Haute the Best.

I will demand that all City employees be honest, interested, and productive.

I will employ only those who are qualified to do the job.

I will demand that the people of Terre Haute get the best and receive value for every dollar spent.

At no time will secrecy prevail in any department of the City Government, records will be made available for the people and all members of the news media.

If nominated and elected, I will serve as a public employee and conduct the office for the benefit of all the people of Terre Haute.

I will co-operate and work with our schools, colleges, labor, industries, churches, and all organizations who want to make Terre Haute the BEST.

I will make every effort to secure railroad under-passes or over-passes with the Capital Improvement Fund created in 1965 from the 2c cigarette tax increase.

I will not let any Bond Holding Co. dictate our Sewage Disposal rates which are entirely out of line. The Terre Haute City Council holds that power and rightly so, because they represent YOU.

The Best For Terre Haute

If elected, I promise to work diligently to make Terre Haute the Best.

I will make every effort to secure railroad under-passes or over-passes with the Capital Improvement Fund created in 1965 from the 2c cigarette tax increase.

I will make every effort to reduce sewage disposal rates as much as 50%.

I will see that our parks, valued at over \$2 million, are well kept and preserved.

I will see that grass replaces bald tee's at Rea Park Golf Course.

I will demand that all City employees be honest, interested, and productive.

I will employ only those who are qualified to do the job.

I will demand that the people of Terre Haute get the best and receive value for every dollar spent.

At no time will secrecy prevail in any department of the City Government, records will be made available for the people and all members of the news media.

Yes, this is where you tee off at Rea Park course — NOTE the grass, tee markers and benches. Can't we do better — YES!

DEMING PARK: This belongs to you! Want it cleaned up? VOTE FOR LARRISON!

See any ducks? Wonder why? This is part of our \$2 million dollar park system!

Our 6 1/2 million dollar plant that makes over a million dollars per year at present rates. With no facilities available for many customers in certain areas.

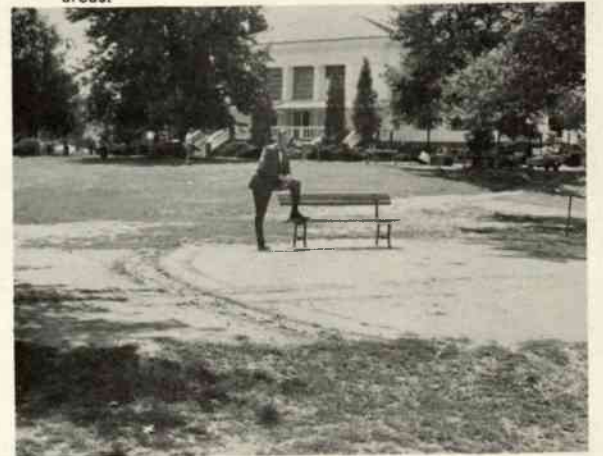

DOBBS PARK: This could be made a beautiful campers park with a small amount of money. At present time campers are discouraged from using this fine location.

A cleaning job at Deming Park is needed!

North 25th Street at 3:30 P.M. any day. No comment — Have you waited lately?

NO. 1 TEE REA PARK, picture taken during 1967 summer season, before city tourney. What would a visiting golfer expect at the other 17 tees? Could we borrow some sod?
